Dear Jon Kiesz,

Please find enclosed a Certificate of Registration issued to your company authorising the requalification of cylinders by hydrostatic retest in conjunction with a visual inspection, under specified conditions and limitations.

This Certificate is issued pursuant to your application made with Transport Canada.

Please note that compliance with all requirements of the *Transportation of Dangerous Goods Regulations* is required.

It is recommended that the Certificate of Registration be displayed on or near the test equipment at all times. For its renewal, please apply at least six months before the expiry date.

Should you have any questions about your registration or to request changes and amendments, please contact us at MOCRegister-RegistreContenant@tc.gc.ca

Sincerely,

Engineering Services
Regulatory Affairs Branch
Transport Dangerous Goods (TDG)

Certificate of Registration

Pursuant to its application on file with Transport Canada, to the *Transportation of Dangerous Goods Regulations*, and to Clause 25 of National Standard of Canada CAN/CSA-B339-02 "Cylinders, Spheres, and Tubes for the Transportation of Dangerous Goods",

**HRD Aero Systems Inc.
25555 Avenue Stanford
Valencia, CA
91355
United States**

is granted this Certificate of Registration for the requalification of cylinders by the hydrostatic water jacket and proof pressure methods in conjunction with a visual inspection subject to the following conditions:

- 1) The requalifications shall be performed only at the above-mentioned location, and under the responsibility of the persons designated in the application;
- 2) The requalification shall be in accordance with Clause 24 of the CAN/CSA-B339-02 standard, and where applicable, the terms of a Permit for Equivalent Level of Safety;
- 3) Plussing in accordance with Compressed Gas Association Publication C-5 is not authorised;
- 4) The maximum test pressure is 55.80 MPa (8100 psig);
- 5) In accordance with Clause 24.6.3 of CAN/CSA-B339-02, successfully requalified cylinders shall be marked:

XX YYZ *

where XX is the month of the requalification,
YYY is the requalifier's registered mark,
ZZ is the year of the requalification, and
* is the procedure symbol (★, □, Δ or ♦), where applicable; and

- 6) Not later than 20 days after any change occurs in the information comprising the application, the Director shall be advised of any such change.

This Certificate of Registration may be suspended or revoked by the Director in the event of failure to comply with the above-mentioned conditions or with any applicable regulations.

This Certificate of Registration shall expire on the date shown below unless revoked earlier. An application for renewal of this Certificate should be submitted at least six months before the expiry date.

Registered Mark: **458**
Registration Date: 05 July 2013
Expiry Date: **15 July 2018**

Certificate No.: ASD 4067-26-6-0458
