Dear Mr. McBride:

The payment for the renewal of Air Agency Certificate number 3HYY536C has been received and confirmed. The new certificate is enclosed and will be effective **November 1, 2016** and remain in effect until **October 31, 2018**, unless it is surrendered, suspended or revoked before the aforementioned expiration date. Mail the superseded Air Agency Certificate to the Los Angeles International Field Office (LAX IFO) upon expiration.

In accordance with Federal Aviation Administration (FAA) Order 8900.1, your certificate is being renewed for a period of 2 years. During the non-renewal year, surveillance activities of the repair station will continue to be conducted. These surveillance activities will continue to be billed and fees collected in accordance with Title 14 CFR Part 187.

In our continuing effort to improve the quality of service to our stakeholders, the FAA's Flight Standards Service would appreciate any comments you may have on our services and how to improve them. Your participation in meeting our goals for continuous improvement is greatly appreciated. You can submit your feedback by going to the following link and selecting Los Angeles IFO (FS-58) from the drop down menu:
